

HIGH MILEAGE OIL TREATMENT

Go with a proven leader to extend vehicle life.

Cars are built to last longer, but they still need some TLC along the way. Keep your engine running at optimum with Penray High Mileage Oil Treatment.

- Recommended for vehicles over 75,000 miles
- Helps stop leaks due to drying, hardening, or shrinking of seals
- Reduces deposits
- Keeps the engine clean with superior detergents
- Extends engine life with superior anti-wear agents
- Counteracts the effect of oxidation with acid neutralizers
- Protects internal engine parts against deterioration, bio-fuel residue, and condensation with advanced corrosion inhibitors
