

# 4.0 CLEANER & LUBRICANT

4.0 Cleaner & Lubricant is formulated for multi-purpose uses. Cleans tar, sap and dried, built-up grease. Dries completely to prevent dust/grit build-up. Will not harm paint finishes. Prevents sticking and squeaking of hinges and latches. Lubricates and conditions weather stripping and bushings for longer life. Protects against rust and provides a water resistant barrier.

## Features and Benefits:

- Cleans, protects, lubricates, prevents
- Multipurpose lubricant prevents rust & dust buildup
- Long lasting, water resistant lubrication
- 50 State Formula

Note: For freeing heavily rusted and difficult to remove parts we recommend the use of Penray 4516 PR-3 Wrench- Eze and Lubricant
