

ETHANOL STABILIZER

Penray Ethanol Stabilizer is a unique 4-in-1 ethanol treatment, fuel stabilizer, corrosion inhibitor, and fuel system cleaner in one!

BENEFITS OF PENRAY ETHANOL STABILIZER

- 12 oz. treats up to 20 gallons
- Treats and stabilizes fuel for up to one year
- Helps prevent ethanol separation, corrosion, and sludge during storage
- Keeps fuel injectors clean and prevents fuel system carbon deposits
- Helps protect fuel system components from the harmful effects of ethanol and water
- Ideal for small engine and boat storage
