

2 Step Kit

HEADLIGHT RESTORATION KIT 8405

How well do your headlamps light the night?

Yellow or faded headlights can reduce visibility and driving safety at night. Penray's 2-Step headlight restoration kit is a long-lasting and cost-effective treatment.

- Lens Prep lotion wipes away years of grime and haze
- Lens Coating spray bonds to the lens ensuring long lasting protection
- No specialty tools or U.V. light required
- Single application kit cleans 2 headlights
- Works on all modern polycarbonate/plastic headlights

Improves Visibility
