

FUEL INJECTOR CLEANER

Penray 2112 Fuel Injector Cleaner cleans harmful deposits and carbon from fuel system as you drive. Provides increased power and acceleration, improved idling, quicker starting and reduced emissions. Effective in all types of fuel injected cars and trucks and in all gasolines, gasohols and diesel fuels. (12 fl. oz. treats 10-20 gallons of fuel.)

Features and Benefits:

- Preferred formula for use in multi-port (MPFI) and throttle body (TBI) injection systems
- Just one treatment can provide increased fuel economy, horsepower and acceleration, improved idling, quicker starting and reduced emissions
- Helps clean harmful deposits and carbon from fuel system to restore performance
- For use in all grades of gasoline and ethanol blends
- Safe for catalytic converters and oxygen sensors

Fuel Injectors

Fuel injectors work with small openings that can easily become clogged. The smallest deposits on these openings can have a large negative effect on injector spray pattern. Keeping injectors clean is critical to maximize fuel economy and engine performance.

Part#	Size	Qty/ Case	Container	Treat Rate
2112	12 fl oz	12	Bottle	Up to 20 gallons
