

PR-3 WRENCH-EZE AND LUBRICANT

Penray 4516 PR-3 Wrench-Eze And Lubricant is a professional strength formula for making repair work easier whenever trouble is caused by rust, moisture, dirt or friction. PR-3 Wrench-Eze penetrates, lubricates, stops rust and corrosion. It also frees corroded and rusted parts, displaces water, helps provide protection while cleaning almost all surfaces, and stops squeaks.

Features and Benefits:

- Penetrating lubricant frees rusted and difficult to remove parts
- Displaces moisture, lubricates and protects metal parts
- Reduces friction and helps silence squeaks
- Silicone-free formula suitable for body shop use
- Rust Penetrant
- Pleasant vanilla scent
