

PENRAY PREMIUM STARTING FLUID 5315

Penray Premium Starting Fluid provides quick and easy starts in seconds! 5315 is specially formulated at 45% high Ether for use in diesel and gasoline engines: cars, trucks, tractors, generators, buses, marine engines, outboards or power mowers. Penray's scientifically compounded formula assures safe, smooth starting in all weather conditions costing only pennies per start.

- 5315 Premium Starting Fluid designed specifically for diesel engines, can also be used in gasoline engines.
- Produces quick, smooth starting of engines down to -70°F
- Works under extreme cold conditions
- Contains upper cylinder lubricant and corrosion inhibitors
- Saves battery and ignition during cold weather
