

NF2096SM NEED-RELEASE EXTENDED SERVICE COOLANT FILTER

for Mack and Volvo Engines

The Penray Need-Release® extended service coolant filter senses the coolant condition and releases the exact amount of additive necessary to properly protect the system.

GREAT TECHNOLOGY

- Compatible with all conventional, extended-life, long-life, OAT, NOAT, HOAT, GO-5, and automotive coolants
- Compatible with all colors of coolant: pink, fuchsia, red, orange, yellow, green, blue, brown, and water
- Fixes coolant problems
- Eliminates concerns about top-off fluids
- Repairs organic acid and extended life flaws
- Eliminates the need to drain, flush, and refill your system
- Helps eliminate down time
- Lasts 150,000 miles, 15 months, or 3,000 hours *guaranteed!*
- Synthetic media

PROVEN SERVICE LIFE

- Thousand of hours and billions of miles of service
